Log Book
Servicing

Maintaining your car for less

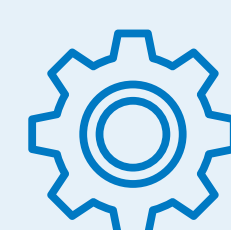

Vehicle servicing

Engine oil replacement using quality oil.

Check brake, clutch, battery, power steering, radiator and windscreen fluids topping up if necessary.

Oil filter replacement with a premium brand filter.

Tyre position rotation to get maximum life out of your tyres.

Visual inspection of fuel system, drivetrain, lights, suspension and wipers.

Call for a price today.

* Not available at all stores. See back page to ensure your local store does servicing.

10% OFF

Shock Savings

Has your car has done more than 75,000kms? It's about time to replace the shock absorbers. Worn shock absorbers can make your car feel old with knocking noises, a bouncy ride and less effective braking.

Phone 1800 667 668 or use the store finder.

BluEarth-Es ES32

The BluEarth-Es ES32 provides a balance of wet grip, wear resistance, durability and fuel efficiency. It's suitable for compact cars and family sedans. The BluEarth-Es ES32 benefits from Yokohama's patented Nano Blend Compound technology which optimises contact with the road maximising grip and promoting even wear. Available in sizes from 13 to 19 inch.

From \$129^{ea}

Based on a 175/70R13 82T

GEOLANDAR A/T G015

The Geolandar All Terrain G015 is engineered to provide 4x4 vehicles with the ultimate blend of off-road traction, on road handling, low noise and long tread life. It's available in a PC construction, like the factory fitted tyres. Or a Light Truck construction for high loads and extra durability. Available in sizes from 15 to 22 inch.

From \$216^{ea}

Based on a 205/70R15 96H

BluEarth

BluEarth is a range of Yokohama tyres available around the world. It's a product engineering philosophy designed to deliver benefits to both people and the environment. BluEarth tyre technology achieves a low tyre rolling resistance to improve fuel economy. Normally however, low rolling resistance is achieved at the expense of wet road grip and long tyre mileage. Yokohama has managed to overcome this with the use of a Nano blend rubber compound, advanced inner liner, light weight design and aero dynamics.

Don't get stuck in the mud!

ALLIANCE AL30

Alliance AL30 50000km Mileage Guarantee Program

50000km MILEAGE GUARANTEE

Tyres & More is happy to offer a 50000km Mileage Guarantee when you purchase a set of four (4) Alliance AL30 tyres plus a wheel alignment.

The set of four (4) Alliance AL30 tyres must be returned to a Tyres & More dealer for maintenance service every 10000km or 6 months, whichever comes first. If your tyres are worn down to Treadwear Indicators before delivering 50000km within 5 years of purchase you can claim a credit towards a new set of tyres.*

*Relevant service records and original purchase invoice must be supplied to claim credit at any Tyres & More dealer. Visit tyresandmore.com.au for full terms and conditions.

30 Day / 1000km Hassle FREE Guarantee

At Tyres & More stores, we are so confident you'll be satisfied by your Yokohama passenger car tyre, we're offering a 30 Day / 1000 kilometre Hassle Free Guarantee. So, if you're not happy with the comfort or performance level of the Yokohama tyres fitted to your car, you can exchange them for another type of tyre.*

*Providing the exchange is within the limits of the Terms and Conditions.

Visit tyresandmore.com.au for full terms and conditions.

BluEarth-Van RY55

The RY55 Van tyre suits medium to large delivery vans and 4x2 utes. The focus for this tyre, versus its predecessor the RY818, was long mileage. In testing it achieved 50% longer mileage (as demonstrated in the graph below). Being a BluEarth tyre, it also has a low rolling resistance for excellent fuel economy.

\$129
