### 704R Regional Drive

The Yokohama 704R is a heavy-duty, all-season regional drive tyre crafted for demanding pickup and delivery operations. Its extra-wide tread and interlocking block design ensure outstanding wear resistance and exceptional traction especially on wet or snowy roads. The directional pattern and high-rigidity block shapes also minimise irregular wear, while an advanced tread compound supports both extended tyre life and enhanced traction in adverse conditions. Built tough for regional hauling, the 704R blends durability, reliability, and performance seamlessly.

We've got job opportunities across a range of automotive roles with more support, more variety and more room to grow.

Tyres & More is a national network of company-owned and licensed stores, proudly backed by Yokohama Tyre Australia. We offer more than just tyres - our stores provide a full range of automotive services including **wheels, batteries, mechanical repairs, and logbook servicing.**

As our network continues to grow, we're hiring across Australia for roles such as **Workshop Managers, Assistant Managers, Mechanics, Apprentice Mechanics, and Tyre Fitters.**

**We're looking for** hands-on, reliable team players with a passion for vehicles and customer service. If you're eager to learn, safety-focused, and take pride in your work, you'll fit right in.

**In return, we offer** above-award wages, career development, job security, and a supportive team environment - backed by the strength of a trusted global brand.

## Ready for More?

If you're motivated, dependable, and take pride in your work, we'd love to hear from you.

Tyres & More offers a flexible license model that feels like a true partnership. You stay in control of your business, while gaining the backing of a national network supported by Yokohama Tyre Australia. We bring the tools, support and buying power - you bring the local know-how.

### **Independence with a competitive edge**

Our network is made up of independently owned stores operating under one trusted brand. Together, we're stronger - gaining a competitive edge over national chains without sacrificing independence.

### **More products. More opportunity**

As a partner, you'll access national pricing on tyres, wheels, batteries, consumables and more. Expand into new categories like mechanical servicing, 4x4

accessories and specialty tyres - from truck to ag and OTR - giving your customers more reasons to come back.

### **Support that drives growth**

Our team is here when you need us, offering help with marketing, operations and training. We also connect you to fleet opportunities, simplify admin with central billing and provide access to exclusive supplier deals and rebates.

### **The right fit for growing businesses**

If you've got an established tyre business and are ready to grow, we'd love to chat. We're especially looking for stores offering mechanical work or those in regional areas with farm or road service capabilities.

**For More Information**

## Join a growing network

- **Stay independent** - it's your business you remain in control
- **National support** - preferred suppliers, marketing support and more
- **Local focus, national strength** - we help you expand your customer base
- **Strong monthly & annual rebate structure** - rewards your performance and gives more back to your business
